

INTERNATIONAL SCIENCE AND ENGINEERING FAIR

ENERGISING
FUTURE
GENERATIONS

SATURDAY 23 MARCH 2013
VIENNA INTERNATIONAL SCHOOL
1220 VIENNA

NEWSLETTER NO. 2
January 2013

Inside this Issue

1. The Registration Process
2. Rules of the Science and Engineering Fair 2013
3. The Science Fair Schedule (Outline)
4. The Awards Banquet

The INNMM looks forward to your entering a project in this year's fair. The INNMM hopes that you are enjoying preparing your project and will have a good time at the fair. Last year we had more than 50 projects from over 90 students in seven participating schools: we hope for more in 2013.

Vienna International Science and Engineering Fair Organiser:
John Kinney

For further information, contact your science teacher or Mr J. Kinney at j.kinney@iaea.org

Alternatively, check out the website at http://www.savic.ca/inmm_vienna/science_fair.html

The Registration Process

Ms. S. Abakumova, Registrar

Initial registration of projects and participants should take place by **21 January 2013** (unless alternative arrangements have been agreed with the Organizing Committee) – there is no limit, within reason, to the changes which can be made to a project, before the **final registration change deadline of 15 March 2013**. The final registration should be accompanied by a brief description of the project.

Registration must be made using the Registration Form attached or available through the web site and must be submitted through the Science Fair Coordinator at your school.

Rules of the Science and Engineering Fair 2013

The complete rules for the Science and Engineering Fair are available at the Fair website. In brief, the rules are as follows:

- Each project may have up to three team members. A student may enter only one project or a student can be a team member of only one project;
- The project must be the work of the team members alone. Participants can obtain guidance from others, but the participants must do the work themselves;
- Projects involving human subjects, vertebrate animals, pathogenic agents, controlled substances, hazardous chemicals or devices, human/animal tissue or recombinant DNA must be approved by the Fair's Science Review Committee;
- **All projects entered in the Fair must include a display. All project displays must be accompanied by a report.** The text of the report should be less than 10,000 words in length.
- The report should be written in English. (Reports from the French, Japanese or Russian Schools may be submitted in French, Japanese or Russian respectively as long as they are accompanied by a summary in English.);

- The majority of display areas will have a depth of 76 cm by 122 cm wide. If that is not sufficient for your project, contact one of the Science Fair organizers for assistance;
- Electrical Power: If power is required for your display, 220 volt single phase (50 Hz) power will be available, maximum of 500 watts.
- There will be WLAN access available.

Science Fair Schedule

Friday, 22 March 2013

1800 to 2000 - Registration at VIS.
Pick up your registration packet in the foyer and set up your project display.

Saturday, 23 March 2013

0830 to 1000 - Students arrive. Please be at your project display by 1000.
1000 to 1200 - Interviews by at least three judges.
1200 to 1400 -- lunch
1400 to 1600 - Public Viewing. Stay with your project
1600 to 1700 - Dismantling your projects.

The Awards Banquet

The Awards Banquet will be held on the Wednesday following the fair. **As a participant in the fair you are invited (free of charge) to the Banquet.**

You can purchase additional Banquet tickets for family and friends at registration or during the science fair. Adults and young adults can purchase additional tickets at approximately €20 each, and non-participating children (under 13) can attend for around €10 each.

The Awards Banquet will take place in the restaurant at the Vienna International Centre at 6pm on Wednesday 27 March. Information on the menu will follow at a later date.

2013 Vienna International Science and Engineering Fair Registration Form

23 March 2013, Vienna International School,
Strasse der Menschenrechte 1, 1220 Vienna

Please, complete (**TYPE or WRITE IN CAPITAL LETTERS**) and give to your School Coordinator

PLEASE PRINT:

_____ Individual Project or
_____ Group Project (Maximum three (3) students)

_____ Original Registration Form
_____ Revised Registration Form

Names(s):

Grade: _____

Grade: _____

Grade: _____

School:

Categories: (check only one)

Senior Division:

_____ Biological Science
_____ Computer Science and Mathematics
_____ Chemistry and Physics
_____ Earth and Space Science
_____ Environmental Science
_____ Engineering and Technology
_____ Health and Human Behaviour

Junior Division:

_____ Computer Science and Mathematics
_____ Earth and Space Science
_____ Environmental Science
_____ Health Science
_____ Human Behaviour
_____ Life Science Animals
_____ Life Science Plants
_____ Machines and Technology
_____ Physical Principles

Project Title:

(Enclose/attach a one-paragraph abstract or summary of your project)

_____ Project includes human subjects, nonhuman vertebrates, pathogenic agents, hazardous chemicals or devices, controlled substances, recombinant DNA or human/animal tissue

_____ No Electrical Power Needed

_____ Table-Mounted Display

_____ Electrical Power Needed (3 m. Extension Cord required)

_____ Free Standing Display on Floor

_____ New project

_____ Interview in English

_____ Extension of Previous Science Fair Project

_____ Interview in other language:

I / We have read the Vienna International Science Fair Rules.

I / We understand that failure to comply with the rules may result in disqualification and removal of the exhibit.

I / We Do Not/Agree to be interviewed by the media or photographed.
