Science and Engineering Fair, 2016
NEWSLETTER NO. 2, January 2016

The Registration Process

Ms. S. Abakumova, Registrar

Inside this Issue

1. The Registration Process
2. Rules of the Science and Engineering Fair 2016
3. The Science Fair Schedule (Outline)
4. The Awards Banquet

The INMM Vienna Chapter is very excited to announce the opening of registration for this year's INMM Science and Engineering Fair. The theme of the 2016 Fair is 'To Infinity and Beyond – Science and Engineering Solutions for Transportation'. The Chapter looks forward to your entering a project and hope that you will thoroughly enjoy the development and preparation of your project, followed by a great time at the fair. Last year we had more than 70 projects from over 120 students in eight participating schools from as far afield as Sofia and Prague: we hope for even more in 2016.

Vienna International Science and Engineering Fair
Organiser:
John Kinney

For further information, contact your science teacher or Mr J. Kinney at j.kinney@iaea.org

Alternatively, check out the website at <http://inmmvienna.org/ScienceFair/index.html>. Many photos, above links and videos are also included on the [INMM Facebook page](#). Please feel free to "Like" this page and share it with other students, parents, sponsors or anyone else who might be interested. Please "follow" us on [Twitter](#) and "subscribe" to [INMM You Tube videos](#).

Registration of projects must be made either through the Science Fair website at <http://inmmvienna.org/ScienceFair/2016/index.html> or through the following link: [INMM Science and Engineering Fair 2016 Registration](#).

Initial registration of projects and participants should take place by **20 February 2016** (unless alternative arrangements have been agreed with the Organizing Committee) – there is no limit, within reason, to the changes which can be made to a project, before the **final registration change deadline of 4 March 2016**. After that date any changes can only be made with the express agreement of the registrar.

If you experience problems in the registration process, please contact the Registrar at s.abakumova@iaea.org.

Rules of the Science and Engineering Fair 2016

The complete rules for the Science and Engineering Fair are available on the Fair website. In brief, the rules are as follows:

- Each project may have not more than three team members. A student may enter only one project or, alternatively, be a team member of only one project;

- The project must be the work of the team members exclusively. Participants can obtain guidance from others, but the participants must do the work themselves;
- Projects involving human subjects, vertebrate animals, pathogenic agents, controlled substances, hazardous chemicals or devices, human/animal tissue or recombinant DNA must be approved by the Science Fair Review Committee;
- **All projects entered in the Fair must include a display. Display boards must be provided by the project team. All project displays must be accompanied by a report.** The text of the report should be less than 10,000 words in length. The report and the display should be written in English. (Reports from the French, Japanese or Russian Schools may be submitted in French, Japanese or Russian respectively as long as they are accompanied by a summary in English.);
- The majority of display areas will have a depth of 76 cm by 122 cm wide. If that is not sufficient for your project, contact one of the Science Fair organizers for assistance;
- Electrical Power: 220 volt single phase (50 Hz) power will be available (maximum of 500 Watts);
- WLAN access will be available.

Science Fair Schedule

Friday, 11 March 2016

1700 to 2000 hrs: Registration at the Lycee.
Pick up your registration packet in the foyer and set up your project display.

Saturday, 12 March 2016

1000 hrs: Students arrive. Please be at your project display by 1000.
1000 to 1200 hrs: Interviews by at least three judges.
1200 to 1400 hrs: Lunch and a presentation by Dr. Kallinger of Vienna University.
1400 to 1600 hrs: Public viewing - stay with your project.
1600 to 1700 hrs: Dismantling your projects.

The Awards Banquet

The Awards Banquet will be held on the Thursday following the fair and will be hosted by the Lycée Français de Vienne. **Each participant in the fair receives a free ticket to the Banquet. Banquet tickets for other family members will be on sale at the Fair.**
